

MMRC CALENDAR FOR 2018

Here is our programme for 2018. Tuesday evening meetings usually run from 7 00pm. You will note that there are a number of evenings with no particular event scheduled. We still have a lot of work to do on our layouts and hopefully these (blank) evenings will be put to good use. If anyone would like to volunteer to either host a layout visit (or knows of a layout we should visit), or to talk on a railway/model railway related topic (or knows of a good speaker) please let either Bob or John know.
